SUPERINTENDENT'S ROUNDTABLE

In an effort to educate and empower parents to keep a watchful eye over their children, the following presentation is being offered. During this 60-minute presentation, parents and community members will learn of the following danger areas: · Review of Current Issues, Sites, and APPS · Connectivity and Devices · Accidental Exposure · Digital Footprint and Digital Citizenship · The New Definition of Bullying/ Cyberbullying · Structure and Technology - What Makes it Dangerous? · Social Media Effects on our children · Tips/Solutions/Software Recommendations for Parents

A Parent's Road Map to Protecting Their Children in the Digital World

February 8, 2017 7:00 PM Maywood Avenue School

Parental Tools:

- Keeping an Eye On Your Childs Online Activity
- Designing Appropriate Usage of Technology for Your Family
- Technology Monitoring Options (Computer and Mobile Phone)
- Dealing with Psychological Repercussions of Exposure and Constant Connectedness •
- Techniques for Communicating With Children about Technology Dangers
- What To Do If You Have an Incident.

Our Presenter:

Private Investigator and social justice advocate, **Melissa J Straub** is a highly experienced and credentialed professional within the investigative and consulting arena since 1993 and is a licensed Private Detective in the State of NJ. In addition, she holds a Bachelor of Arts in Political Science/Pre Law and Master's Degree in Counseling and a New Jersey State School Counselors certification, enabling a deeper understanding of current social justice and child advocacy issues. Armed with advanced technical certifications, she is able to provide a technical "spin" to a vast array of investigative scenarios.

MAS Students in grades 4 – 8 will participate in age appropriate presentations on 2/7/2017 during 2 separate scheduled assemblies.
